Samuel,

Welcome to Teladoc®, a benefit made available to you through Aetna. As a physician, providing patients with the highest quality healthcare has always been a priority for me. Now, as the Chief Medical Officer of Teladoc, my colleagues and I bring that quality healthcare to you anytime, anywhere—at work, in the comfort of your home or while traveling.

As a new Teladoc member, you now have access to our national network of U.S. board-certified physicians, licensed in your state.

With an average of over 20 years of clinical experience, our doctors can diagnose, treat and prescribe medication for your non-emergency conditions. This includes treatments for the flu, eye infections, bronchitis, and much more.

Whenever you need our care, we are available within minutes, by phone or video. We look forward to serving you.

Sincerely,

Lewis Levy, MD
Teladoc, **Chief Medical Officer**
Primary care physician
30 years of experience

When should you use Teladoc?

Teladoc

Use Teladoc anytime, anywhere** for non-emergency conditions like the flu, bronchitis, stress, psoriasis, and more.

Family Doctor

Your primary care physician (PCP) is ideal for annual exams and ongoing medical conditions needing regular monitoring.

Urgent Care

Use an urgent care clinic when you need an in-person visit for conditions like earaches, sprains, or minor cuts.

ER

Go to the ER if you need emergency medical care for severe conditions like chest pain, burns, or broken bones.
