

PCMI 2022 Covid-19 Guidelines

IAS/Park City Mathematics Institute

Institute for Advanced Study, 1 Einstein Drive, Princeton, NJ 08540

Dear PCMI Participant,

Please read carefully the following information about Covid-19 guidelines at the 2022 IAS/Park City Mathematics Institute Summer Session. If you have any additional questions, feel free to contact our office at pcmi@ias.edu.

Sincerely,

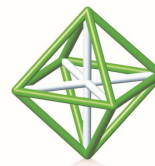

Dena Vigil, PCMI Program Officer

PCMI is open for all registered lecturers, participants, guests, and staff who have been successfully approved in CrowdPass.

PCMI requires lecturers, staff, participants, and guests to provide proof of having completed a COVID-19 vaccination before gaining access to lodging, lectures, seminars, meetings, meals and other resources in Park City. In addition, on or before April 15, 2022, all individuals must provide proof of having received a booster for the COVID-19 vaccine.

Individuals at PCMI 2022:

- Do need to use this link to report exposure or illness: [COVID-19 Reporting Form | Forms](#) (www.ias.edu/pcmi)
- Do need to wear your PCMI Badge at all times.
- Do need to stay home if sick with symptoms of COVID-19 or otherwise.
- Do need to wear a mask in meeting spaces and hallways at the conference center.
- Do need to be considerate to individuals who continue to wear a mask.
- May not need to quarantine after having close contact with someone with Covid-19, as long as they remain asymptomatic but should be tested 5 -7 days after exposure.
- Do not need to quarantine or get tested before/after domestic travel unless otherwise required by their destination.

WHAT TO DO IF YOU SUSPECT YOU HAVE COVID-19 OR HAVE BEEN EXPOSED

The first thing to do if you suspect or have confirmed you have COVID-19 is to submit a COVID-19 Reporting Form using this link. [COVID-19 Reporting Form | Forms](#)

The submission goes to a secure location that is only accessible to the COVID-19 Response Team. You will be contacted by a member of the COVID-19 Response team on next steps.

PLEASE DO NOT COME TO THE CONFERENCE CENTER IF YOU ARE ILL OR HAVE BEEN EXPOSED TO SOMEONE WHO TESTS POSITIVE FOR COVID-19.

If you have any questions or concerns related to COVID-19 please contact the COVID-19 Response team at covid19response@ias.edu

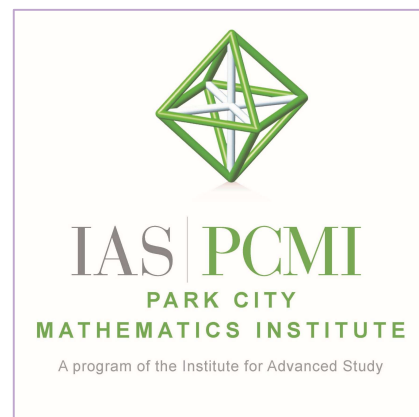

TRAVEL

Effective June 12, 2022, the CDC no longer requires air passengers traveling from a foreign country to the United States to show a negative COVID-19 viral test or documentation of recovery from COVID-19 before boarding a flight.

For the most up-to-date guidance from the CDC regarding travel, please click here [CDC Travel Guidance](#).

Travelers must follow Covid-19 travel guidelines for your trip to Park City, Utah. *PCMI cannot guarantee that you will be allowed to reenter your place of origination as planned after traveling to Park City, Utah. Covid-19 testing will be at the expense of the traveler, please plan your testing accordingly. Entrance restrictions and travel bans are unpredictable. If reentry is not possible for reasons of national travel restrictions or illness, the incurred expenses will be the traveler's responsibility. These include but are not limited to the hotel stay, food, any uncovered medical expenses, and any fees for airline ticket or lodging changes. Travelers should be prepared for stays abroad to be indefinite.*
