---

**PROFESSIONAL AFFILIATIONS** Guest Postdoctoral Research Scholar, International Institute for Applied System Analysis, 2019-present  
Assistant Professor, Department of Economics, Federal University of Paraná, 2014-present  
Visiting Research Fellow, Brazilian Institute for Applied Economic Research, 2016-2019  
Substitute Professor, Department of Economics, Federal University of Minas Gerais, 2011-2012

**EDUCATION BACKGROUND** Federal University of Minas Gerais, Doctorate, Demography, 2014  
Stanford University, M.A, International and Comparative Education, 2012  
Federal University of Minas Gerais, M.A, Demography, 2010  
Federal University of Minas Gerais, B.A., Economics, 2007

**RESEARCH ACTIVITIES** The new challenges of fragility: an assessment of the economic integration of Venezuelan and Paraguay immigrants in Brazil using a mixed-methods approach. Collaboration initiative between Federal University of Parana, International Institute for Applied System Analysis, Federal University of Minas Gerais, Federal University of Roraima and Pontificia Universidade Catolica de Minas Gerais. Coordinators: Dr. Raquel Guimaraes and Dr. Alisson Barbieri. 2019-present. Currently applying and waiting for grant results.

Stratification of Brazilian Basic Education: a multidimensional approach. Collaboration initiative between State University of Rio de Janeiro and Federal University of Parana. Coordinators: Dr. Carlos Costa Ribeiro and Dr. Raquel Guimaraes. 2018–present. CNPq grant 440172/2017-9

Do Demographic Forces shape Real Estate Markets? A Case study for Brazil and Poland based on a Structural Causal Model. Collaboration initiative between Federal University of Parana and University of Lodz. Coordinators: Tomasz Schabek, Ph.D. and Dr. Raquel Guimaraes. 2018–present.

Bayesian Sub-National Population Probabilistic Projections for Brazil. Coordinator: Dr. Raquel Guimaraes. 2016–present. CNPq Grant 400991/2016-0.

**PROFESSIONAL ACTIVITIES** Associate Editor, *Estudos em Avaliação Educacional*, 2015–present  
Editor-in-chief, *Revista de Economia*, 2015–2017

Member of International Organizations, *Population Association of America*, *European Association for Population Studies*, *American Economic Association*, *Comparative and International Education Society*

Referee in International Journals, *Demographic Research*, *Comparative and International Education Review*, *Latin American Research Review*

- TEACHING
- Development Economics (Undergraduate, Federal University of Paraná), 2014-present
  - Economic Demography (Undergraduate, Federal University of Paraná), 2018-present
  - Econometrics (Undergraduate, Federal University of Paraná), 2014
  - Economics of Poverty (Graduate, Federal University of Paraná), 2014-2017
  - Development Economics (Graduate, Federal University of Paraná), 2014-2017
  - Applied Microeconometrics (Graduate, Federal University of Paraná), 2015-2017
  - Quantitative Methods for Public Policy Evaluation (Graduate, Federal University of Paraná), 2016-present
- HONORS AND AWARDS
- Summer Program in Social Science Fellow, Institute for Advanced Study, Princeton, New Jersey, USA. 2019/2021.
  - CAPES-IIASA Post-Doctorate Fellowship, 2019-2021.
  - Visiting Research Fellowship, Brazilian Institute for Applied Economic Research, 2016-2019.
  - Commencement speaker, Economics class of 2017. Federal University of Parana.
  - Edital Universal CNPq Grant, 2016.
  - Nominated member of the Advisory Committee for Educational Policy Evaluation at the Brazilian Ministry of Education. 2015-present.
  - Dissertation Fellowship, Federal University of Minas Gerais, 2010-2011 and 2012-2014.
  - M.A. Fellowship, Stanford University, 2011-2012.
  - Monography Award - Winner - XII Prêmio do Tesouro Nacional, 2007.
  - Monography Award - Winner - Prêmio IPEA-Caixa de Monografias, 2006.
- WORK EXPERIENCE
- Consultant, Brazilian Ministry of Education 2016-2017
  - Consultant, Parana Institute for Economic and Social Development, 2016
  - Consultant, Lemann Foundation 2013-2014
