

Garbage and trash should be placed inside the gray/green bins which contain two trash receptacles. These gray/green bins are located near each building. Garbage and trash will be collected on a regular basis, usually on Mondays, Wednesdays, and Fridays.

Recycling

Recycling is mandatory in New Jersey. Paper, cardboard, newspapers, magazines, and mail order catalogs are to be placed in the blue recycling containers located next to the gray/green bins. They will be collected as needed, usually on Tuesdays and Thursdays.

Recycling is mandatory in New Jersey. Metal, glass containers, and plastic items are to be placed in gray recycling receptacles which are located next to the gray/green bins. They will be collected as needed, usually on Tuesdays and Thursdays.
