ELIGIBILITY FOR REGISTRATION

Public schools are required to provide a free education to all persons over age 5 and under age 20 who are domiciled in the district. Domiciled means that the student is living with a parent or guardian whose permanent home is located within the boundaries of the district.

- A home is permanent when the person intends to return to it when absent and has no present plan to move from it, even though he/she has existence of homes or residences elsewhere.
- Residency requires bodily presence as an occupant in a given district.

If, at any time, you or your child changes domicile or residence, you must report this information immediately to the school building secretary.

It is the policy of the Board that should the district discover that a child is not a legal resident of the district and is illegally attending the Princeton Public Schools, the district will assess the parents the full cost of the tuition for such attendance. Any additional costs for special education services will be added to the regular education costs.
